2021 FUN EVENT FORMAT

Upon receipt of entry you will be sent /emailed a confirmation, number and vehicle pass. Your times will be published / emailed to you on the Tuesday before the Event. This will give you a working in time and dressage time. The other sections will follow straight on.

In order to comply with current social distancing **criteria you may only unbox / leave your parking space at your given 'working in' time.** After you finish your round you must return to box park and leave as soon as you can having cooled / untacked, etc

At commencement please report to the relevant Marshal at the working in area.

Dress Code. for this year only Competitors should complete the entire competition in their Cross Country colours including the dressage phase. Riders may choose whether to wear the body protectors for the entire competition or whether to add their body protector on top after the dressage phase. The only change to tack is the addition of Boots after the dressage phase in the holding box by your groom.

Show Jumping. Instead of the normal break between phases to allow competitors to go and do a separate clear round jumping option to get their horses jumping, the show jumping phase will consist of 2 rounds. The best score will count towards your overall score. If you achieve a clear round in your first round you will also receive a clear round rosette with your results pack.

Cross Country. It is almost impossible to get eliminated in this fun format. This will only happen if you or your horse are deemed unfit or dangerous to carry on.

Jumping Scores are marked on what you achieve rather than penalties – if you do not like a fence leave it out and carry on! **After 3 attempts at any one fence you MUST move on** This applies to both jumping phases.

Time allowed is generous so there is no need to hurry but marks will be taken off for excessive time taken. The 2 jumping phases are against the clock but time taken will only count if the scores are equal.

There will be NO Prize Giving for 2021. Instead all scores /placings will be calculated at the end of the day and published on our Facebook page. Score sheets and rosettes will be placed into the post by the end of the week.

Entry Must be Prebooked and paid either by email / BACS or by Post

ENTRY FEE: £25

JUMPING PHASES only: £15 please put a J on your entry form next to the class number.

DRESSAGE only: £10 please put a D on your entry form next to the class number.

Course Walks on Saturday by appointment – please book a time slot.

All competitors are asked to leave a Large stamped address envelope with the Secretary in order to forward their result pack. Please forgive us if there is a slight delay before they are put in the post but we only have 3 days to take the entire course down and remove it from the site!
